

Self-levelling cross-hair laser GCL, Type: 2-50CG

Order data

Order number	468488 2-50CG
GTIN	3165140865654
Item class	46T

Description

Version:

Compact cross-hair laser with self-levelling laser lines. Quick horizontal and vertical alignment of lines. Robust design soft-grip coating protects against impact loads. Dust-proof and splash-proof. In addition, two vertical plumb-line points. **Green cross-hairs** for optimum visibility even under poor lighting conditions. Bluetooth interface for precise working by remote control without touching the device. Can be operated with rechargeable battery (supplied) or batteries. Large working range up to 80 m using the LR 7 Professional receiver (accessories).

Function:

IP54: Protected against splashed water from all directions and protected against penetration of dust into the inside (protected against dust), also completely protected against touching.

Supplied with:

12 V Li-ion battery, charger, multi-function holder, laser target board, protective case and transport case.

Technical description

Length	136 mm
Range	20 m

IP Index of Protection	IP 54
Levelling range	±4 degrees
Threaded socket for stand	1/4 in
Error limit	±0.3 mm/m
Height	122 mm
Range with receiver	80 m
Laser class	2
Width	55 mm
Interface	Bluetooth interface
Weight	600 g
Packaging	Carrying case
Colour of the laser	green
Number of rechargeable batteries contained	1
Type of rechargeable battery	Lithium-ion
Nominal voltage	12 V
Power supply	Rechargeable battery-powered
Type of product	Cross laser
