

Ratchet cable cutter with telescopic handles, Overall length: 630mm

Order data

Order number	731230 630
GTIN	4003773071563
Item class	73F

Description

Version:

Effortless cutting due to optimum leverage and telescopic handles. The tool can be opened in any cutting position. Arm length extendable to multiple positions. Adjustment range 600 to 810 mm.

Application:

For clean cutting of copper and aluminium cables. Suitable for cables with rubber or plastic sheathing and with steel strip armoring.

Material:

Special quality tool steel, drop-forged, oil-quenched.

Note:

Not for steel wire and wire rope.
