

Dräger**Full-face mask X-plore® 5500, Size: UNI****Order data**

Order number	097247 UNI
GTIN	4026056001057
Item class	09I

Description**Version:**

The modern **two-filter full-face mask** combines comprehensive **breathing protection and eye protection**. The large and distortion-free visor is made from polycarbonate, and in combination with an ingenious **ventilation system** with separate internal mask ensures optimum, condensation-free vision in any working situation. Due to its double sealed frame with three-fold sealing lines, the mask body fits virtually all shapes of face, to provide reliable and convenient protection. The width of the contact faces **avoids the formation of pressure points**. The 5-point-strap attachment allows the mask to be put on smoothly, without complications and without catching on the hair. The side X-plore® bayonet connections allow selection from a comprehensive range of filters.

Application:

Metal and automobile industry, chemical industry, shipbuilding, maintenance, supply and disposal.

Standard:

EN 136 Klasse 2

Colour code for suitable accessories: Bayonet

Product features: Silicone-free

Lens coating: scratch-resistant

Lens coating: free of condensation

Lens material: Polycarbonat
 Filter connection: X-plore® bayonet
 Weight: 540 g
 Manufacturer's designation: R 55 270
