

**Dräger****Filter escape hood Parat 4700, Type: HARD****Order data**

Order number	097296 HARD
GTIN	4026056008025
Item class	09I

**Description****Version:**

Reliable escape hood in conspicuous signal colours offering **at least 15 minutes protection against suddenly occurring toxic industrial gases, vapours and particles**. The large lens remains free of condensation and ensures clear vision and good orientation during the escape. The flexible neck ruff and the resilient inner strapping ensure the hood can be put on quickly and safely even in stressful situations. The shelf life is **16 years overall working life** (assuming the filter is changed after 8 years). Filter class: ABEK P3. Escape hood in hard plastic shell for stationary positioning at hazard points.

**Standard:**

EN 58647-7 (Filter: EN 14387:2004)  
Manufacturer's designation: 4730  
Transport packaging: Hard case  
Weight: 740 g
