

**Garant****Cable cutter with compound action, for cable Ø: 32mm****Order data**

Order number	731071 32
GTIN	4045197891204
Item class	71B

**Description****Version:**

Cutter head with sickle shaped blade and compound action (one handed operation). Double blades ensure square cut.

**GARANT** blades and important functional parts are additionally hardened and tempered.

**Application:**

For clean cutting of aluminium and copper cables (even flex cables), **not suitable for fine-stranded cables**. Not for use on steel wire, hard aluminium alloys, hard drawn copper conductors.

**Material:**

Special steel blade, coated sheet metal handles.

**Note:**

On single-core cables the cutting force is around 30 % less.

**Technical description**

for cable Ø	32 mm
overall length	250 mm
Cutting capacity multi-core cable up to	240 mm <sup>2</sup>
Handle	ergonomic plastic grips with anti-slip coating
Operation	mechanical, single-handed, ratchet principle
