

Protective corner, Type: 1

Order data

Order number	994273 1
GTIN	4260214934300
Item class	99T

Description

Version:

Easy-assembly plug-in bolt-on system of 3 mm steel section. Due to its plug-in design and selection of a wide variety of different lengths, the system permits high variability.

The protective barrier rails are inserted into the mountings of the protective corners. Each mounting has a length/**adjustment range of 50 mm.**

Protective corners of 5 mm sheet metal. Safety edges for the start or end of a crash barrier system consisting of 2 crash barrier corners with 4 supports for fastening the protective crash barriers.

Supplied with:

Including anchor plugs for floor mounting.

Colour:

Zinc yellow RAL 1018 **powder-coated** with black warning markings.
