

WELDAS®
Welder's protective jacket, Unisex size: XL

Order data

Order number	091500 XL
GTIN	8718564522471
Item class	06E

Description
Version:

Heat and fire resistant clothing of durable and supple split cowhide. Protects against heat and sprays of molten metal or chips during welding, grinding or sticking. All leather seams are stitched in double chain stitch of extremely heat-resistant 5-ply KEVLAR® yarn. All stress points are riveted or reinforced with two layers of leather. All rivets and snap fasteners are electrically insulated for safety.

Welder's protective jacket with stand-up collar for protection against weld spatter.

- **Double leather reinforcement on the front snap fastener strip.**
- **Spacious leather inside pocket.**
- **Flame-retardant cotton as backing material.**

Standard:

EN ISO 11611:2015 Klasse 1/A1+A2

Clothing to: Protection to DIN EN ISO 11611 when welding
