| GTIN         | 4057121031259 |
| Item class   | 09S           |

### Description

#### Version:

High-quality protection for welders in modern two-colour design. Constant and optimum flame retardant for welding work. Pleasantly comfortable to wear whilst at the same time providing a high degree of protection. Indanthren dyed for high colour-fastness. The heavy fabric of 525 g/m<sup>2</sup> is particularly suitable for intensive welding work. Permanently flame retardant – even after washing 100 times, as specified by EN ISO 15797.

Work trousers with belt loops and buttons.

- **On the left-hand side, a large pocket with flap and snap fasteners.**
- **On the right side an oblique metre rule pocket with flap and snap fastener.**
- **Knee pockets with hook and loop fastening.**

#### Standard:

- **EN ISO 11611, Klasse 2, A1, A2**
- **EN ISO 11612, A1, A2, B1, C1, E3, F1**

#### Note:

This sizes listed in the shop are the DE clothing sizes. Please see the size table or the technical data for the corresponding sizes for your country.

Available in other colours on request. Size table showing equivalent international sizes can be found on our information section at the end of the catalogue.

Welder's protective work trousers in **dark anthracite / grey** with textile weight **330 g/m<sup>2</sup>** certified to **EN 11611, class 1** under **No. 091485**.

Clothing to: DIN EN ISO 11612 protection against flames and heat
