Description

Version:

Tyvek® 500HV, type 5/6, model 125. **High visibility suit.** In fluorescent orange with special silver grey reflective strips for good visibility by day and night. Stand-up collar, elasticated cords on the sleeve cuffs and trouser leg cuffs and sealed-in elasticated cord in the back area. Generously cut gusset for freedom of movement. The suit material is permeable to air and water vapour but at the same time repellent to water-based liquids and spray mist. Offers very good protection against fine particle and fibres. Extremely low-linting and anti-static on the inside. Protective overalls (PPE category III).
