

## Safety harness ARG 110 ENTRY WEST ORANGE, Type:

### Order data

Order number	098114
GTIN	4030281097068
Item class	09F

### Description

#### Version:

**ARG 110 Entry West Orange.** Partially elastic safety strap with high wearing comfort. It combines the freedom of movement and advantages of an elastic strap with the safety of static waist belts. Special version in **signal colours for increased visibility**. Practical click fasteners make it possible to attach the belt quickly and easily. With rescue eyelets on the shoulders for secure retrieval and rescue out of channels and ducts.

#### Application:

For working in ducts, shafts, vessels.

#### Standard:

EN 361

Weight: 2.4 kg
