

**Koken**
**IMPACT hexagon socket, 3/8 inch Surface Drive, Width across flats: 13mm**

## Order data

Order number	650130 13
GTIN	4991644317981
Item class	63R

## Description

### Version:

Sturdy shape especially for use with electric or compressed air impact wrenches. With cross hole and snap ring groove for securing sockets. Internal square to DIN 3121.

**For safety reasons must always be secured using a suitable locking pin and O-ring.**

The surface drive profile grips the bolt on the faces and protects the weaker corners. This reliably prevents the sockets jamming on the bolt heads.

### Material:

Chrome molybdenum steel, surface burnished.

### Note:

Further sizes and types on request.
