

Koken
IMPACT hexagon socket, 3/8 inch Surface Drive, Width across flats: 16mm

Order data

Order number	650130 16
GTIN	4991644318018
Item class	63R

Description

Version:

Sturdy shape especially for use with electric or compressed air impact wrenches. With cross hole and snap ring groove for securing sockets. Internal square to DIN 3121.

For safety reasons must always be secured using a suitable locking pin and O-ring.

The surface drive profile grips the bolt on the faces and protects the weaker corners. This reliably prevents the sockets jamming on the bolt heads.

Material:

Chrome molybdenum steel, surface burnished.

Note:

Further sizes and types on request.
