

**Garant**

## Interchangeable crimping head, Type: 2,5

### Order data

Order number	729624 2,5
GTIN	4045197200082
Item class	71B

### Description

#### Version:

- **Exact crimping due to linear action**
- **Increased versatility combined with reduced costs due to quick-change system - no tools required**
- **Guaranteed consistently good crimping results to DIN or EN due to factory-set interchangeable heads with integral positive barrier in the basic tool**
- **Reliable terminal positioning ensures the terminal is always seated correctly in the crimping mould**
- **Slim handy design makes it ideal for working in locations where access is difficult.**

With **insulation stop for positive positioning of the terminal.**

#### Application:

For use with electronic connectors.

#### Suitable for:

Basic tool No. 729611. Blade terminals and sleeves: F2.8, F4.8, F6.3 and F9.5; GHW flat terminals: AFK and AFS; Tyco Junior Power Timer: Timer; Tyco AMP: MCP 1.2; RK 2.5; UNML; E95; MT 3 and ELO; Kostal: LKS 1.5 and SLK 2.8 contacts.
