

Screwdriver for slot-head, with "multicraft" power grip, Blade width b: 4mm

Order data

Order number	660900 4
GTIN	7610733085620
Item class	63E

Description

Version:

Versatile, robust screwdriver with taper blade (tip) and hexagon flats for wrench assistance.

"Multicraft" power grip of impact resistant plastic (cadmium free), particularly easy grip, even with oily hands.

Blade of PB Swiss Tools special alloy combines maximum hardness with exceptional toughness. With parallel stepped tip. From size 8 with hexagon flats for wrench assistance. Surface nickel-plated and chrome-plated, black tip.

Advantage:

- **Stepped plane parallel tips provide full-surface instead of linear contact, enabling higher torque transmission.**
- **No cam-out effect.**
- **Tips perfectly fit standard and non-standard screw slot sizes.**
- **Smooth, burr-free rounding of the end of the handle prevents friction in the palm of the hand.**
- **Rounded ergonomic shape with comfortable easy-grip surface ensures non-fatiguing working and high torque transmission.**
- **Non-roll flats.**
- **Marked with drive symbol and size.**

Application:

For repair and assembly work, for loosening tight screws etc.
