

Screw holder, Type: 2

Order data

Order number	666425 2
GTIN	4013288147707
Item class	63H

Description

Version:

Permanently elastic blade grip for sliding on to screwdriver blades and bits. The resilient and highly wear-resistant screw grip retains the screw mechanically. Screwing the screw into the workpiece releases the screw automatically. For screwdrivers **fully insulated** to VDE.

Application:

For holding screws when working in narrow areas.

Suitable for:

All commonly-used screwdrivers and long bit blades. Can be used for round and hexagon shaft screwdrivers, irrespective of the drive profile.

Technical description

for blade Ø	4.5 – 6 mm
Type	2
Length	41 mm
External Ø	17 mm
Type of product	Holder
