

**Pipe wrench for one-handed operation, with aluminium handle, Pipe Ø: 3in****Order data**

Order number	810860 3
GTIN	4045197377593
Item class	82A

Description**Version:**

The spring-mounted floating jaw is adjustable by a knurled screw, quick pre-setting to the appropriate pipe Ø by means of scale on the side faces.

Handle of **aluminium**, grey paint finish. Around 40 % saving in weight compared to cast handles.

Application:

Applicable like a ratchet due to spring-mounted floating jaw. The jaws tighten themselves firmly on to the pipe when closing and free themselves automatically when the handle is released (one-hand operation).

Technical description

Jaw capacity	90 mm
