

Crimping set crimping gun including terminal sleeves

Order data

Order number	729478
GTIN	4045197500519
Item class	71B

Description

Version:

Ergonomically optimised pistol grip; sturdy design, very easy to handle. **Axial processing** of crimping terminal sleeve with automatic adjustment to the cross section range. **Square crimping** by 4 synchronised crimping jaws. **Integrated stop** with release mechanism ensures consistent crimping to DIN 46228.

Advantage:

The slim form of the crimping gun permits comfortable working even in confined spaces, e.g. when wiring junction boxes and distribution boxes.

Supplied with:

Crimping gun No. 729485 size 6 and 500 terminal sleeves in popular sizes (0.5 - 0.75 - 1 - 1.5 - 2.5 mm²) in a sturdy plastic box.
