

RIDGID
Pipe cutter stainless steel (VA) / copper

Order data

Order number	819470
GTIN	095691299635
Item class	83R

Description
Version:

Sturdy design for the heaviest duties and precise cutting using 6 or 12 guide rollers. Extremely quick and low-force operation due to **ball-bearing guide rollers and cutting wheel**. With spare cutter wheel.

Application:

Specially for cutting stainless steel, and galvanised carbon steel pipes (up to 3 mm wall thickness), but also aluminium and copper pipes.
