Description

Version:

Shears for easy cutting of plastic pipes. Broad pipe support for square cuts. Exchangeable, specially hardened blades.

Positive cutter advance because rack and cutter are combined in one unit. Ergonomic operation due to **lightweight aluminium body and rubberised handles.**

Application:

For cutting off PE, PP, VPE, PB, and PVDF pipes. (Limited capability where pipe walls are very thin). Particularly suitable as preparation for socket welding. Plastic pipe cutter for easy cutting.

Note:

For hose shears see No. 769940, 769960 and 769980.
