

**Garant****Service tool case of X-ABS with shaft pockets****Order data**

Order number	692790
GTIN	4045197375216
Item class	61G

**Description****Version:**

**X-ABS** is extremely impact resistant, tough and thus **suitable for air travel**. The surface is scratch-resistant, **non-slip (rubberised effect)** and **does not damage surfaces**. Anodised double aluminium frame with integral toggle cylinder locks and glass fibre reinforced positioning hinges for case lid positioning.

**Internally fitted with stitched shaft pockets:**

1 dividable base shell, including tool board with 6 shaft pockets as cover,  
1 tool board with 14 shaft pockets and document compartment on the front and back.

**Application:**

Optimal case for customer service and service engineers due to the shell material, which does not damage surfaces, and high strength with low weight.

**Technical description**

Weight	3.6 kg
Internal dimension width	310 mm
Internal dimension height	210 mm

Internal dimension length	460 mm
Material	X-ABS
Type of tool storage	Shaft pockets
Case load capacity	30 kg
Characteristics case	suitable for air travel
Type of product	Tool transport system
