

Tool container Wera2go 2, Type: 1

Order data

Order number	691655 1
GTIN	4013288187840
Item class	63H

Description

Version:

Internal fitments:

1 "Wera2go 4" case incl. 1 variable adjustable hook and loop divider for up to 5 divisions. Individually configurable for high mobility, with internal and external hook and loop system.

Sturdy and keeps its shape

The sturdy material keeps its shape and has high resistance to cutting and puncturing. The tools are protected against moisture and damage.

Handy wearing comfort

The carrying strap allows the tools to be slung over the shoulder, leaving the hands free. The adjustable wide padding ensures high comfort when wearing.

Variable positioning by the hook and loop system

The hook and loop system allows the components of the Wera 2go systems also to be strapped on to the Wera 2go 2 tool carrier, as can all the Wera tools in boxes and bags with hook and loop zones. This allows the tools to be positioned individually to suit the demands of every type of work.

Supplied with:

1 "Wera2go 4" case incl. 1 variable adjustable hook and loop divider for up to 5 divisions.
