Snipe-nose pliers with spring actuation Normal pliers with spring actuation Spring-actuated wire cutter Wire stripping blade 420HC blade 420HC waved edge blade Saw Ruler (1.5 inches / 3.8 cm) Can opener Bottle opener Wood rasp / metal file Cross-head screwdriver Medium screwdriver Small screwdriver

A) Lanyard ring.

B) Removable attachment clip.

C) Functions accessible from outside.

D) Single-hand control functions.

Application:

An all-purpose tool and "friend in need", a must-have for every tool cabinet and every toolbox. The Leatherman Sidekick is the perfect entry-level model and will always be alongside you as a good mate. This handy multi-tool has everything your need to accomplish your project – and at a fraction of the price of individual tools. Thanks to the accessibility of the blades from outside you can open the knife using only one hand, and if you want to use the new pliers jaws with spring return, the rounded handles ensure secure and comfortable retention. Irrespective of whether the Sidekick is your first choice or a handy replacement tool – you won't find a better mate of stainless steel, and with a 25 year warranty.

Supplied with:

Presented in a: Nylon bag
