Application:

An all-purpose tool and "friend in need", a must-have for every tool cabinet and every toolbox. Leatherman fans will immediately recognise in our new Rebar the cult compact arrangement and the bevelled design of the Super Tool® 300 and Micra®. The Rebar is ideal as your favourite tool and completes the classic "Heritage Product Line" from Leatherman. Exactly like the Super Tool® 300 the Rebar has an extra-strong pair of pliers jaws with integral exchangeable wire cutters / hard wire cutters – the first time for a 10-cm tool from Leatherman. The new Rebar combines all the functions in a single slim-line form so that it can master even the most demanding tasks and will in no time become indispensable on building sites and for DIY enthusiasts through the entire world.
