

## Comfort safety glasses SecureFit™ 600, Lens tinting: GREY

### Order data

Order number	096203 GREY
GTIN	50051131273141
Item class	04M

### Description

#### Version:

The new safety glasses incorporate all the comfort features of the SecureFit™ family and offer a high-performance **premium coating** combined with **maximum comfort**. The **3M™ Pressure Diffusion Temple Technology** achieves an optimum pressure on any size of head, coupled with secure retention. Wide field of view and outstanding performance thanks to the **two lens design in a modern half-frame**. With **grey lens** for more **protection in naturally intense light** (direct sunlight, reflected light). **Transmission: 22%**.

**Condensation-free viewing at all times**, thanks to the high-quality 3M™ Scotchgard™ coating.

#### Standard:

EN 166 EN172

Frame properties: Adjustable nose pads

Lens coating: condensation-free

Lens coating: scratch-resistant

UV protection: Standard

Lens material: Polycarbonat

Lens identification: 5-3.1 3M 1 FTKN
