

**Comfort safety glasses MAXIM™ Ballistic, Lens tinting: CLEAR****Order data**

Order number	096215 CLEAR
GTIN	10078371118652
Item class	04M

Description**Version:**

Light safety glasses with innovative **robust RAS (rugged anti-scratch) coating** for five times longer scratch resistance. Aspherical curved lenses offer perfect **distortion-free 180° field of view**. Due to the short, flat side arms these glasses are **very suitable for use in combination with other personal protective equipment** and because of their adjustment options **they adjust optimally to any head shape**.
