

## Comfort safety glasses 5X1, Lens tinting: GREEN

### Order data

Order number	096700 GREEN
GTIN	8033661828791
Item class	04H

### Description

#### Version:

Innovative safety glasses with **Floating Lens Design** for an optimum fit without pressure points. Ergonomic, dynamic design due to **arms that can have their length and tilt adjusted**. Padded, height-adjustable nose clip. **Padding of the ends of the arms** ensures maximum comfort and absolute stability. With Vanguard Plus coating for **outstanding freedom from condensation** and **scratch resistance** on the inner and outer faces. With **green lens** for **more relaxed vision in naturally intense light** (direct sunlight, reflected light). Perfect colour perception. **Transmission: 15%**.

#### Version of the advertising text:

Innovative safety glasses with floating lens design.

- **Optimal, ergonomic fit without pressure points.**
- **Length and tilt of frames can be adjusted.**

#### Standard:

EN 166 EN 172

### Technical description
