

**Welder's safety glasses, Protection level: 5****Order data**

Order number	096827 5
GTIN	4045197959201
Item class	02B

Description**Version:**

Over-specs for occasional welding work. With adjustable arms for an optimum fit. **Good coverage around the eyes** due to the inclination of the lenses at the sides and the brow area.

Free of metal and silicone. Suitable for use as over-specs.

The lens coating exhibits light scratch resistance; however it does not achieve scratch resistance to EN166 (K mark).

Standard:

EN 166; EN 169

Version: Over-specs

UV protection: Standard

Lens material: Polycarbonat

Lens identification: 5 HO 1 F
