

**Klauke®****Large crimping tool, Type: K06SYNCRO****Order data**

Order number	729905 K06SYNCRO
GTIN	4012078001342
Item class	76C

**Description****Version:**

Sturdy head with compound action and integral rotatable form wheels. Tubular handles with plastic grips. Cross-section assignment visible on the form wheels.

Form wheel adjustment by one-hand operation. Guarantees reliable cross-section assignment by synchronised form wheel adjustment. With ergonomic 2-component handle and slip protection on both sides. Extendable lever arms.

**Application:**

For non-insulated **tubular cable lugs** and **connectors** (standard design).

**Note:**

Not suitable for DIN compression cable lugs or for French CNF cable lugs. Crimping tools for DIN and French CNF cable lugs available on request.
