

uvex**Earplugs set uvex hi-com, Type: R300****Order data**

Order number	097324 R300
GTIN	4031101501284
Item class	04U

Description**Version:**

Notches generate a larger surface facing the eardrum, so that an acoustically weaker and thus more absorbent reflective surface is created. This reduces the noise within the inner ear. The lower attenuated value improves perception of communication, yielding good perception of speech and warning signals. SNR 26 dB (H = 30 dB, M = 23 dB, L = 18 dB). **Refill box with 300 pairs, loose**, for uvex one 2 click dispenser, No. 097525.

Technical description

Contents	300 pair
Packaging	loose
SNR value (noise attenuation)	26 dB(A)
Material of earplugs	Polyurethan
Type of product	Disposable earplugs

Accessories
