

## Earplugs set, 100 pairs LASER TRAK®, Type: 100

### Order data

Order number	097565 100
GTIN	033552000020
Item class	09A

### Description

#### Version:

The earplugs are easily visible and **respond to metal detectors**. The polyurethane foam expands evenly within the auditory canal, thus ensuring a pleasant sensation when worn. Due to the **non-ferrous metal eyes** the earplugs can be detected by a magnetic checking device; in addition the noticeable light colour assists visual final inspection. SNR = 35 dB (H = 34 dB, M = 32 dB, L = 31 dB).

### Technical description

Contents	100 pair
Manufacturer's designation	Laser Trak
Packaging	in pairs
SNR value (noise attenuation)	34 dB(A)
Material of earplugs	Polyurethane
Type of product	Disposable earplugs
