

uvex**Lens cleaning towelettes 100 pieces****Order data**

Order number	096690
GTIN	4031101125831
Item class	04U

Description**Version:**

Silicone-free moist lens cleaning towelettes. Especially suitable for cleaning **all** viewing lenses – does not attack the coating (anti-misting, anti-scratch etc.). Not anti-static.

Thus ideally suitable for use as a glasses lens cleaning cloth. In combination with the wall attachment bracket for moist cleaning wipes No. 096691 the lens cleaning cloths can also be positioned for easy and handy access.

Content:

100 pieces in a cardboard box, individually packed.
