Description

Version:

Due to their low weight, ear defenders of the Peltor™ Optime™ series are comfortable to wear and are easily combined with other protective equipment. The comfortable sealing rings are a mixture of foam and gel, which provides an optimum seal combined with great comfort for continuous use. Versatile shell-type ear defenders, suitable even for low frequencies. Comfortable seating thanks to headband and exchangeable sealing rings. SNR = 31 dB (H = 34 dB, M = 29 dB, L = 20 dB).

Note:

Hygiene sets for the Peltor™ Optime™ range are listed under No. 097764, 097748.
