

Ear defenders Peltor™ X series, Type: X3

Order data

Order number	097755 X3
GTIN	4046719708109
Item class	04M

Description

Version:

3M™ Peltor™ ear defenders of the **X series** provide reliable protection against noise and offer good ergonomics, aesthetics and modern design. Despite the slim design, the ear defenders offer maximum noise attenuation. The light-weight double-layer shells offer very good comfort. With newly developed intermediate ring for better acoustic effectiveness and higher wearer comfort. SNR = 33 dB (H = 35 dB, M = 30 dB, L = 25 dB).

Version of the advertising text:

Double-shell capsules with good sound insulation value in a modern design that covers the requirements of most industrial applications.

- **Due to their low weight, particularly comfortable to wear.**
- **Headband with hard plastic covering for high load capacity and long working life.**

Note:

Hygiene set for X series under No. 097764.
