INFO Point for individual configuration, Type: S

Order data

Order number	948010 S
GTIN	4062406072445
Item class	9GS

Description

Version:
GARANT INFO Point is a modern computer workstation for the display and processing of digital information, for recording data and as a response station with a connected barcode scanner (not supplied).
The INFO Point has a sturdy sheet metal housing. A swing-open tray is mounted on the front at an ergonomic height to accept a keyboard and computer mouse. A PC or Linux client can be mounted within the body underneath the tray behind the lockable door. The tray and the door can be locked with DOM cylinder locks. A perforated panel with holes of□ 9×9 mm on a 37 mm grid is provided at the back of the body for the necessary ventilation of the devices mounted within the body. Easyfix hooks and holders can also be mounted on the panel.
Without monitor, for individual configuration with a 24 inch monitor. Maximum possible screen size: Width 525 mm, height 315 mm, depth 90 mm.
Fitted with:
Number of shelves in the computer housing: 1
Colour:
Body anthracite RAL 7016 **powder-coated.**
