Klasa artykułu	08J

**Opis****Wykonanie:**

Flexible coolant hose system for precise transfer of cooling lubricant and air. Due to the fact it is produced from **high-quality stainless steel**, the hose system is also suitable for use in areas and sectors with high corrosion resistance and hygiene requirements. The most comprehensive system on the market with a total of 4 system sizes. Compatible with all popular tool carrier systems. **The system is also pre-locked, i.e. the system holds the position even when not screwed in.** Due to the stainless steel design, the components achieve a much longer working life and can also **be used up to 50 bar high pressure.**

**w dostawie::****Kompletny przewód 135mm**

składający się z:

1x adapter 1/4 cala

5x podstawa 25 mm

1x okrągła dysza Ø 4 mm

1x nakrętka rozm. 1
