Dados do pedido

Número do pedido	937022 2000
GTIN	4045197677877
Classe de artigo	91W

Descrição

Modelo:

Holes are provided on the underside of the worktop for securing drawer units and support legs (KOMBI range).

Worktop for **general requirements**. Made of peeled beech veneer, with multiple cross layers, glued, non-warping, and waterproof. The edges are smoothed, the surface is sanded and sealed with clear UV varnish. **Beech marine ply** is resistant to sprayed water and to dirt, and largely resistant to oil, grease, solvents, and chemicals. (These do however affect the appearance of the surface). With stainless sheet metal covering.

With additional 1-side metal edge protector on the front.

Inlaid metal edge protection strip 50×50×4 mm.
